

IRC Global Executive Search Partners – Switzerland MAS Management Assets Services

You Search, We Find

Experience Shows Results

MAS Management Assets Services is characterised by professional, clear ethical principles. The firm's range of experience and relationships lead to an optimum selection of candidates within the shortest time. The internally developed selection system guarantees the best possible selection result. Our consultants are distinguished by their experience in line management, and they have deep industry knowledge.

Seven Step Strategy

The 7-step MAS search and selection strategy includes: company-related situational analysis; definition of the functional area; determination of the requirements profile; search process and pre-selection; introductory interviews at the client's premises; assessment and decision process; and integration coaching.

Global Boutique

From offices in Basel and Zurich, we recruit management staff and skilled specialists in Switzerland and abroad. As a partner firm in IRC Global Executive Search Partners' alliance, we have exclusive access to resources that are global in breadth, yet retain that essential, unique local knowledge and commitment.

Deep Industry Experience

We work across many industries, including medical technology, pharmaceutical, consumer goods, machine industry, logistics, services, banking, insurance, machine and equipment construction and information technology. We recruit at management and specialist levels.

MAS Management Assets Services places great value on discretion and on conduct that is fair both to our client and to the candidate.
