

IRC expands with a new partner in Russia

June 29, 2020

IRC Global Executive Search Partners has strengthened its global presence adding VIPJOBS LLC as the IRC representative in Russia. Russia is a market with significant talent and strong demand for leadership capabilities. With IRC Russia, our worldwide executive search firm alliance has secured a strong foothold to support our international clients.

IRC Russia (VIPJOBS LLC) was found in 2008 by Andrey Oblov as an executive search firm to help foreign companies to find staff in Russia and at the same time for Russian companies to find personal abroad. They mainly have experience in top positions for IT, Internet and Telecom industries. Also, they are working successfully in Retail, E-Commerce, Production, Oil & Gas, Banking, Agriculture and Medicine & Pharmacy industries. The main office is located in Moscow, with branch offices in Siberia (Irkutsk and Surgut) and south Russia (Esentuki). They are also cooperating closely with our current partner IRC Ukraine. In addition to executive search services, they are helping companies in Employer Brand Building in Russia. Elena Rusanova, head of their Employer Brand and EVP Development department, is one of the leading professionals in Russia.

Andrey Oblov, CEO and Founder of IRC Russia (VIPJOBS LLC) adds: "First of all, I am very grateful for this opportunity to become a partner at IRC Global Executive Search Partners. Also, I want to thank Marina Makoviy and Yury Kostrikin from IRC Ukraine, who introduced us to IRC. We are looking forward to becoming part of a global alliance, which is a tremendous support to earn respect and trust of new clients."

Rohan Carr, President of IRC Global Executive Search Partners, noted: "We sincerely welcome our new colleagues to IRC. Given the importance of Russia not only to the European but also the global economy, it is vital that we have a strong partner in this key country. We look forward to the opportunities to work together and further strengthen our premier alliance."
