

IRC Welcomes Cabot Consultants

June 15th, 2016

IRC Global Executive Search Partners welcomes a new United States based member firm. Cabot Consultants have joined the alliance in June 2016 and will strengthen the IRC position in one of the most important international markets.

Benefits For Clients Worldwide

A new well-established member firm will add significantly to our already strong presence in the United States according to Patrick Westerburger, IRC President. “Cabot Consultants are true experts in several areas which are key to our clients, not only in the Americas region. Our position will be strengthened especially in Healthcare & Life Sciences, Not For Profit / Government Services and Aerospace & Defence.

“Over the past 12+ years, Cabot has grown from a regionally-focused firm into a national one servicing clients throughout the United States – and many of our clients operate internationally as well. We are excited to join IRC, as it will enable us to extend our reach and service throughout much of the globe. In addition, with our presence in Washington, DC and Dallas, TX we can offer our international IRC affiliates access to our vibrant markets”, says Tom Berray, Managing Partner of IRC USA – Cabot Consultants.
