September 25, 2019

IRC Global Executive Search Partners has changed the leadership of its global Consumer & Retail team. Rachel Ta (IRC Hong Kong) has been newly appointed the Asia Pacific Practice Leader.

The IRC Consumer & Retail team is led by Global Practice Leader Rania Abdalla (IRC Egypt & UAE), Ricardo Nugent (IRC Peru) is the Americas Practice Leader, and Sanna Leppäluoto (IRC Finland) is the EMEA Practice Leader. Rachel Ta, the new Asia Pacific Leader, is the Managing Director and Founder for IRC Hong Kong (The Office) and a recognised leader in the executive search industry.

“I’m thrilled to take up this role at a time when we are at the cusp of a long period of growth for consumer industries in Asia. Admittedly near term, the global trading environment has never looked rockier, meaning that we will need all the strength of the IRC network and depth of IRC expertise to win big. The challenge is ours for the taking and I’m looking forward to it,” says Rachel Ta, Asia Pacific Practice Leader.

“Consumer & Retail industry is facing rapid changes globally, from dealing with traditional and physical stores that are no longer needed, to new innovative retail technologies and digitisation. Staying competitive in today's world has never been more important. This can never happen without the right leadership in place. Rachel brings a wealth of search and executive development experience across Asia to the role of Asia Pacific Consumer & Retail Practice Leader in IRC,” concludes Rania Abdalla, Global Practice Leader.
